grade 3 mm thick finished plates of matt/gloss/mirror finished and fixing the same with suitable sized alloy rivets &/ bolting system to back support frame mounting on existing poles &/ surface or as directed with nut bolts arrangement and welding with scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—in-charge to match the existing displayed letters if any.  Manufacturing, supplying and fixing of stainless steel etter(English) blocks of height of 30 inches made up of 304 grade 3 mm thick finished plates of matt/gloss/mirror finished and fixing the same with suitable sized alloy rivets &/ bolting system to back support frame mounting on existing poles &/ surface or as directed with nut bolts arrangement and welding, with scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—in-charge to match the existing displayed letters if any.  Manufacturing, supplying and fixing retro reflective stickers (English) made up of 3M stickers pasted on substrate by an adhesive backing which shall be activated by applying heat and pressure fixing the same with back support frame of ACP mounting on existing poles or as directed with arrangement of scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—in-charge to match the existing displayed letters if any.  Providing & fixing 10W LED COB spike (Wipro/KWW or equivalent) of required warm/daylight/ coloured light(preferably in the shades of blue) to be fixed in MS iron frames(cost of frame will be paid as per sl no. 07) to be installed as stands along with wiring for lights with appropriate protection system all complete, as directed by Engineer—in-charge.  Manufacturing, supplying and fixing of stainless steel letter blocks(English/Odia) of height of 15 inches made up of 304 grade 3 mm thick finished plates of matt/gloss/mirror finished and fixing the same with suitable sized alloy rivets &/ bolting with scaffolding ot						
and fixing the same with suitable sized alloy rivets &/ bolting yether to back support frame mounting on existing poles &/ surface or as directed with nut bolts arrangement and welding, with scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—in- charge to match the existing displayed letters if any.  Manufacturing, supplying and fixing of stainless steel etter(Engilsh) blocks of height of 30 inches made up of 304 grade 3 mm thick finished plates of matt/gloss/mirror finished and fixing the same with suitable sized alloy rivets &/ bolting yether or as directed with nut bolts arrangement and welding, with scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—in- charge to match the existing displayed letters if any.  Manufacturing, supplying and fixing retro reflective stickers (English) made up of 3M stickers pasted on substrate by an adhesive backing which shall be activated by applying heat and pressure fixing the same with back support frame of ACP mounting on existing poles or as directed with arrangements for scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—in-charge to match the existing displayed letters if any.  Providing & fixing 10W LED COB spike (Wipro/KWW or equivalent) of required warm/daylight/ coloured light(preferably in the shades of blue) to be fixed in MS iron frames(cost of frame will be paid as per sl no. 07) to be installed as stands along with wiring for lights with appropriate protection system all complete, as directed by Engineer-in-charge.  Manufacturing, supplying and fixing of stainless steel letter blocks(English/Odia) of height of 15 inches made up of 304 grade 3 mm thick finished plates of matt/gloss/mirror finished and fixing the same with suitable sized alloy rivets &/ bolting with scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—in- charge to match the						
system to back support frame mounting on existing poles & urface or as directed with nut bolts arrangement and welding with scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—incharge to match the existing displayed letters if any.  Manufacturing, supplying and fixing of stainless steel letter(English) blocks of height of 30 inches made up of 304 grade 3 mm thick finished plates of matt/gloss/mirror finished and fixing the same with suitable sized alloy rivets &/ bolting system to back support frame mounting on existing poles &/ surface or as directed with nut bolts arrangement and welding, with scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—incharge to match the existing displayed letters if any.  Manufacturing, supplying and fixing retro reflective stickers (English) made up of 3M stickers pasted on substrate by an adhesive backing which shall be activated by applying heat and pressure fixing the same with back support frame of ACP and the existing displayed letters if any.  Providing & fixing 10W LED COB spike (Wipro/KWW or equivalent) of required warm/daylight/ coloured light(preferably in the shades of blue) to be fixed in MS iron frames(cost of frame will be paid as per sl no. 07) to be installed as stands along with wiring for lights with appropriate protection system all complete, as directed by Engineer-in-charge.  Manufacturing, supplying and fixing of stainless steel letter blocks(English)/Odia) of height of 15 inches made up of 304 grade 3 mm thick finished plates of matt/gloss/mirror finished and fixing the same with suitable sized alloy rivets &/ bolting with scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—in-charge to match the existing displayed eletters if any.  Provision of MS iron frames to be installed as stands for LED lights with all provision Complete as per site condition and direction of Engineer—in-charge at al						
surface or as directed with nut bolts arrangement and welding with scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—incharge to match the existing displayed letters if any.  Manufacturing, supplying and fixing of stainless steel letter(English) blocks of height of 30 inches made up of 304 grade 3 mm thick finished plates of matt/gloss/mirror finished and fixing the same with suitable sized alloy rivets &/ bolting with scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—incharge to match the existing displayed letters if any.  Manufacturing, supplying and fixing retro reflective stickers [English] made up of 3M stickers pasted on substrate by an adhesive backing which shall be activated by applying heat and pressure fixing the same with back support frame of ACP mounting on existing poles or as directed with arrangements for scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—in-charge to match the existing displayed letters if any.  Providing & fixing 10W LED COB spike (Wipro/KWW or equivalent) of required warm/daylight/ coloured light(preferably in the shades of blue) to be fixed in MS iron frames(cost of frame will be paid as per sl no. 07) to be unstalled as stands along with wiring for lights with appropriate protection system all complete, as directed by Engineer-in-charge.  Manufacturing, supplying and fixing of stainless steel letter blocks(English/Odia) of height of 15 inches made up of 304 grade 3 mm thick finished plates of matt/gloss/mirror finished and fixing the same with suitable sized alloy rivets &/ bolting with scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—in-charge to match the existing displayed letters if any.  Provision of MS iron frames to be installed as stands for LED lights with all provision Complete as per site condition and direction of Engineer—in-charge	2	, , ,		Eash		
with scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—incharge to match the existing displayed letters if any.  Manufacturing supplying and fixing of stainless steel eleter(English) blocks of height of 30 inches made up of 304 grade 3 mm thick finished plates of matt/gloss/mirror finished and fixing the same with suitable sized alloy rivets &/ bolting system to back support frame mounting on existing poles &/ surface or as directed with nut bolts arrangement and welding, with scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—incharge to match the existing displayed letters if any.  Manufacturing, supplying and fixing retro reflective stickers (English) made up of 3M stickers pasted on substrate by an adhesive backing which shall be activated by applying heat and pressure fixing the same with back support frame of ACP mounting on existing poles or as directed with arrangements for scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—in-charge to match the existing displayed letters if any.  Providing & fixing 10W LED COB spike (Wipro/KWW or equivalent) of required warm/daylight/ coloured light/preferably in the shades of blue) to be fixed in MS iron frames(cost of frame will be paid as per sln o. 07) to be installed as stands along with wiring for lights with appropriate protection system all complete, as directed by Engineer-in-charge.  Manufacturing, supplying and fixing of stainless steel letter blocks(English/Odia) of height of 15 inches made up of 304 grade 3 mm thick finished plates of matt/gloss/mirror finished and fixing the same with suitable sized alloy rivets &/ bolting with scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—in-charge to match the existing displayed letters if any.  Provision of MS iron frames to be installed as stands for LED lights with all provision Complet			19.00	Eacii		
Complete as per specification and direction of Engineer—incharge to match the existing displayed letters if any.  Manufacturing, supplying and fixing of stainless steel letter(English) blocks of height of 30 inches made up of 304 grade 3 mm thick finished plates of mattylossymirror finished and fixing the same with suitable sized alloy rivets &/ bolting system to back support frame mounting on existing poles &/ surface or as directed with nut bolts arrangement and welding, with scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—incharge to match the existing displayed letters if any.  Manufacturing, supplying and fixing retro reflective stickers (English) made up of 3M stickers pasted on substrate by an adhesive backing which shall be activated by applying heat and pressure fixing the same with back support frame of ACP mounting on existing poles or as directed with arrangements for scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—in-charge to match the existing displayed letters if any.  Providing & fixing 10W LED COB spike (Wipro/KWW or equivalent) of required warm/daylight/ coloured light(preferably in the shades of blue) to be fixed in MS iron frames(cost of frame will be paid as per sh no. 07) to be installed as stands along with wiring for lights with appropriate protection system all complete, as directed by Engineer-in-charge.  Manufacturing, supplying and fixing of stainless steel letter blocks(English/Odia) of height of 15 inches made up of 304 grade 3 mm thick finished plates of mattylgosy/mirror finished and fixing the same with suitable sized alloy rivets &/ bolting system to back support frame mounting on existing poles &/ surface or as directed with nut bolts arrangement and welding, with scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—in-charge to match the existing displayed letters if any.  Provision of MS iron frames to						
charge to match the existing displayed letters if any.  Manufacturing, supplying and fixing of stainless steel letter(English) blocks of height of 30 inches made up of 304 grade 3 mm thick finished plates of matt/gloss/mirror finished and fixing the same with suitable sized alloy rivets &/ bolting  system to back support frame mounting on existing poles &/ surface or as directed with nut bolts arrangement and welding, with scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—in-charge to match the existing displayed letters if any.  Manufacturing, supplying and fixing retro reflective stickers (English) made up of 3M stickers pasted on substrate by an adhesive backing which shall be activated by applying heat and pressure fixing the same with back support frame of ACP mounting on existing poles or as directed with arrangements for scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—in-charge to match the existing displayed letters if any.  Providing & fixing 10W LED COB spike (Wipro/KWW or equivalent) of required warm/daylight/ coloured light(preferably in the shades of blue) to be fixed in MS iron frames(cost of frame will be paid as per sl no. 07) to be installed as stands along with wiring for lights with appropriate protection system all complete, as directed by Engineer-in-charge.  Manufacturing, supplying and fixing of stainless steel letter blocks(English/Oda) of height of 15 inches made up of 304 grade 3 mm thick finished plates of matty (gloss/mirror finished and fixing the same with suitable sized alloy rivets &/ bolting with scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—in-charge to match the existing displayed letters if any.  Provision of MS iron frames to be installed as stands for LED lights with all provision Complete as per specification and direction of Engineer—in-charge at all heights.						
Manufacturing supplying and fixing of stainless steel etter(English) blocks of height of 30 inches made up of 304 grade 3 mm thick finished plates of matt/gloss/mirror finished and fixing the same with suitable sized alloy rivets &/ bolting system to back support frame mounting on existing poles &/ surface or as directed with nut bolts arrangement and welding, with scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—in-charge to match the existing displayed letters if any.  Manufacturing, supplying and fixing retro reflective stickers (English) made up of 3M stickers pasted on substrate by an adhesive backing which shall be activated by applying heat and pressure fixing the same with back support frame of ACP mounting on existing poles or as directed with arrangements for scaffolding other tools and tackles etc. to make it Complete as per specification and direction of Engineer—in-charge to match the existing displayed letters if any.
