

Evaluation & Certification

To receive certification, participants of the course “Exploring Cyber Forensics: Insights from the Bharatiya Sakshya Adhiniyam, 2023” will be required to write and submit an original essay/article of 1500-2000 words on a topic relevant to the course curriculum, subject to approval by the course instructor. Before being evaluated, the submissions shall be subjected to plagiarism check by the centre. The submissions shall be evaluated out of a total of 50 marks based on the following parameters:

Parameter/s	Description	Maximum Marks
Thesis Statement	Clarity and relevance of the thesis or main argument.	10
Structure and Organization	Logical flow, coherence, and organization of the essay.	5
Legal Analysis	Depth of analysis, application of legal principles, and case law.	10
Research Quality	Use of credible sources, citations, and breadth of research.	5
Clarity and Style	Clarity of language, expression, and adherence to legal writing style.	5
Critical Thinking	Originality, depth of thought, and critical perspective offered.	5
Conclusion	Effectiveness and comprehensiveness of the conclusion drawn.	5
Grammar and Mechanics	Correctness of grammar, punctuation, and overall writing mechanics.	5
Total		50
