LEGAL SERVICES CLINIC

The National Law University, Orissa has established a Legal Services Clinic. The clinic was inaugurated by Justice Dalveer Bhandari, former Judge, Supreme Court of India. The clinic uses all the methods and techniques of law for serving all those who do not have the means to hire a lawyer for consideration of their problem as well as for advice and action for appropriate relief. In this respect, the clinic will collaborate with Odisha State Legal Services Authority to facilitate its services more effectively. The clinic run by law students and teachers sends out the clear signal that none can be denied legal help on the sole ground that s/he cannot pay for it.

Legal literacy, legal training workshops for the poor and poverty jurisprudence has been used by the clinic to ensure that the poor get their

entitlements. For last three years, our students not only set up legal awareness camps in villages around Cuttack but also went to remote parts of Odisha such as Keonjhar, Kalahandi and Sambalpur in an effort to extend legal help to the needy. NLUO has also been active in ensuring that legal education is of a reputable standard throughout the State of Odisha. The clinic drafts and pleads before administrative authorities and courts the *prima facie* cases of those mentioned under Section 12 of the Legal Services Authorities Act, 1987. We also have the plan to start a help line for those in urgent need.

Sporting activity provides necessary recreation for students and to provide avenues for the same is the job of this committee. It organises intra-university sport festivals. It is also instrumental in the selection of teams that represent the university at events elsewhere.

MESS COMMITTEE

Mess Committee is an all student body responsible for the maintenance of standards in the preparation of food. It decides the menu keeping in mind student composition, for we have students from almost all parts of the country. Given the nature of its task catering to such diverse culinary proclivities the committee has been doing a commendable job. Other than taste, the committee also ensures that the food so served is hygienic and nutritious.

LITERARY & DEBATING COMMITTEE

The role of Literary and Debating Committee is not just limited to organizing debates and preparing students for them, it also organises writing workshops and conducts essay competitions. The

committee holds informal seminars where students and faculty alike discuss topical issues, both legal and otherwise.

CULTURAL COMMITTEE

All round progress and development is the cumulative parameter that sums up the end National Law University, Odisha strives for. The blend of imagination and art with a unique and innate style of expression is what culture is all about. The Cultural Committee is entrusted with the task of organising the university festival, and preparing and sending teams for festivals held elsewhere.

INTERNSHIP & PLACEMENT COMMITTEE

The law graduates have to undergo internships so as to improve and sharpen their knowledge of law, adding a benefit to them. Students of NLUO intern at

prestigious law firms and corporate houses like AMARCHAND AND MANGALDAS, KOCHAR, LEX COUNSEL and KHAITAN etc. The Placement & Internship committee has helped the students reach international organizations like the WHO, CRY, GREENPEACE, UNICEF among the many more. Students have also done their internships under many national institutes like RLEK, MUKTIDHARA, JANJEEVAN, etc. The Internship committee strives towards better internships and finally better placements for the students of National Law University, Odisha so that the students and the university are benefitted at the end of the day.

DISCIPLINARY COMMITTEE

To maintain discipline in the campus, the university has constituted three different disciplinary committees i.e. University Disciplinary Committee (UDC), Student Disciplinary Committee (SDC), Hostel Disciplinary Committee (HDC). All regular matters related to discipline are handled by the SDC or HDC. UDC is not a permanent body but is constituted to handle particular cases. UDC enjoys jurisdiction in two cases, i.e. matters referred to it by HDC/SDC, or if the matter is of grave nature.

OUR CAMPUS

Within three years of short duration, NLUO has shifted from transitory to its own Kathajodi Campus. This feat is unique in the history of national law schools in India. Located in Cuttack, the sprawling 50 acre campus will house about 700 students and staff, creating a vibrant learning environment with all the experience gained from interacting with several students, industry leaders, judges, thinkers, policy makers, philosophers. Backed by experienced faculty, excellent academic and co-curricular facilities, NLUO boasts of an educational environment with a touch of world class.

The NLUO campus is gorgeously positioned with flowing rivers on both sides presenting a picturesque view for all.

The Naraj reservoir is at the distance of a leisurely walk and the surroundings filled with natural beauty offer a soothing effect on the senses.

The campus facilities shall include air-conditioned lecture halls, language lab, gym facilities, an auditorium with seating capacity of over a thousand, an Open Air Theatre and multi-cuisine food court. The state-of-the-art library representing Odia culture and architecture in its design, will be centrally air-conditioned and can accommodate up to 2,00,000 books and over 1000 journals. Complete with Wi-Fi, rain water conservation and plantations, the NLUO campus shall leave fond memories of sustainability alongside knowledge creation. Other facilities on the campus include basketball court, football and cricket grounds.

The classrooms are spacious, comfortable, and air-conditioned. They are equipped with the latest in audio-visual equipment, such as LCD projectors and wired sound. Application of these facilities has been consciously integrated into the teaching curriculum. In most courses, viva voce examinations have been obviated by power point presentations. This not only acclimatizes students with public speaking, but also makes them familiar with tools such as Power Point and other presentation software, a valuable skill in today's professional environment. This emphasis on infrastructure also permits recourse to classroom strategies, not seen in many law schools of the country. Film screenings are frequently organised in classes, which are followed by discussion and brainstorming sessions.

The hostels have been constructed with emphasis on space and natural lighting. The rooms are spacious and enable the residents to live with comfort. Apart from a big dining room, the hostel premises shall also be equipped with television, table-tennis tables, carom boards and so on. Discipline is given considerable priority. Our security arrangements are stringent, in order to ensure the safety and security of residents and their property. Other welfare measures include round-the-clock housekeeping services, broadband Wi-Fi access, extensive first-aid facilities, and an ambulance on duty for 24 hours.

MENTORSHIP PROGRAMME

With a mission to maximize student growth and development, NLUO has introduced Mentorship Programme. We believe that mentoring is a nurturing process in which the faculty member serves as a role model, teacher, sponsor, encourager, counselor, and friend to the students with the end goal of promoting the latter's professional and personal development. This Programme is designed to help the students' transition easily into campus life, and creates events that help them build a supportive network of students, faculty and staff. (For details, see our website: www.nluo.ac.in)

HEALTH CARE FACILITIES

To meet all the health care needs of its students, NLUO offers a wide range of ambulatory services both for routine health matters, on-going health conditions and acute illness. We are committed to ensure the regular visit of doctors with 24 X 7 ambulance service. We have also appointed well qualified nurse to take care of the basic medical needs on campus.

WOMEN CELL TO PREVENT SEXUAL HARASSMENT

As per the Supreme Court Judgment, guidelines and the 2012 Act of Parliament, NLUO has constituted a Women Cell to Prevent Sexual Harassment at the university campus. This is sincere effort to maintain congenial working environment for women and effectively enforce the basic human right of gender equality and guarantee against sexual harassment, abuse, intimidation or exploitation. All members of the University community, including those who are in temporary or short term positions are subject to this policy. Anyone violating this policy is subject to disciplinary action.

**UNFAIR

ANTI-RAGGING COMMITTEE

As per UGC Regulation 2009, NLUO has formed an Anti-Ragging Committee in order to ensure "zero tolerance for ragging" in and off the university campus. Its main agenda is to prevent any sort of ragging i.e. either mental or physical that can be forced upon the fresher students. Anyone found guilty of ragging and / or abetting ragging whether actively or passively, or being a part of conspiracy to promote ragging, is liable to be punished in accordance with UGC Regulations 2009 as well as under the provisions of any penal law for the time being in force.

PULSATING WITH CUTTACK

National Law University, Odisha is located at Cuttack, the historic capital of the then Kalinga. Breathing between the Mahanadi and Kathajodi, the city is some thousand years old in stone and air. What's most interesting about Cuttack is its picturesque topography that blends beautifully with its antique buildings, making it mysteriously vibrant. Like most other places in coastal Odisha, Cuttack witnesses hot and humid weather during summer when the temperatures exceeds 40 C. Winters in Cuttack are mild and pleasant, the coolest time of the year being the month of December.

Along with twin-city Bhubaneswar, Cuttack is the hub of all academic and scholastic pursuits in Odisha. From medicine to technology, art, architecture and literature, the city offers a complete picture of flourishing academics. Law and Medicine are the most ancient professions here and Cuttack is proud to hold in its lap the oldest and biggest Medical College of Odisha, the S.C.B. Medical College along with other ancient institutions like the Ravenshaw University and Stewart School. The High Court of Odisha is also located here. Life smiles with colour here as each season fills the city with a different flavour. A summer sunset in Cuttack is particularly enchanting with shades of saffron gliding through the Mahanadi like dreams on wings of fantasy. At night, the sand, sky and water are all covered in a blanket of blue and one can see the Jobra Bridge lighted up in a straight line for

several kilometers. From a distance, it looks like the bejewelled gateway of an elf-land. The Bridge is full of road-side vendors selling seasonal fruits, nuts, fresh vegetables and salted fish.

Staying at Cuttack gives one the benefit of proximity to popular tourist destinations like Puri, Pipili, Konark, Bhitarkanika, Bhattarika, Dhauli, Udaygiri, Khandagiri and of course, Bhubaneswar. As the City of Temples, Bhubaneswar is home to a multitude of ancient architectural marvels like the Lingaraj, Kedargauri and Rajarani Temples. Cuttack owes its rich heritage to the several religious communities residing here. Hindus, Muslims and Christians dominate the demographic composition of the city and this is also why Cuttack is full of festivities all round the year. Celebrations are at their peak in October during the Durga Puja which happens to be one of the most important festivals here.

The chief attractions of Durga Puja in Cuttack are the lavish silver pandals in the city with silver filigree work carved throughout their body like fine embroidery on silk. Apart from Durga Puja, Cuttack is drowned in festivities also during Bali Jatra which happens to be the biggest fair of the region.

While at Cuttack, one must try the delicious Thumka Pooris which are unique to the Bali Jatra ground and are abundantly available only during the fair. Apart from a kaleidoscopic cultural ambience, Cuttack also offers ample scope to indulge in all modern means of entertainment as the city has many huge malls, shopping complexes, restaurants and hotels. If one's idea of a perfect evening is to hit the gym or indulge in sports and outdoor activities, Cuttack has many options to provide. The city has several modern gymnasia and the Barabati Stadium and Jawaharlal Nehru Indoor Stadium are just right for any kind of sporting activity. Facilities for river cruise accompanied by contemporary cuisine and musical nights are also available for those with subtle tastes.

In terms of cuisine, Cuttack offers a platter of spicy and sweet delicacies. Street food is sinfully tempting here and Cuttack also has several restaurants and hotels offering varieties of Indian and other cuisines for every budget. Markets brim with richly dyed cotton and silk fabrics in the Sambalpuri as well as the Sonepuri and Maniabandha patterns. Silver jewellery in the pattern of filigree, wooden, jute and coir handicrafts, appliqué work and papiere-mache from Pipili and stone and shell crafts from Puri are other attractions of the city market.

Most importantly, travel is easy here as Cuttack is well-connected by rail, road and air. The nearest airport is the Biju Patnaik Airport at Bhubaneswar. All in all, Cuttack is ideally located and designed for academic pursuits with ample opportunities for a fun-filled educational experience.
